

CopyRobin Rates Enterprise subscription 2023

Your CopyRobin Enterprise subscription includes 60 credits per month for € 1,110.00 or € 18.50 per credit.

The number of credits (and therefore the price) per text is determined by two variables:

1. Length of the text

400, 800, 1200 words etc. So these are steps of 400 words (about 1 A4). The actual length can be between the lower and upper limits of such a block. So 800 words correspond with a length somewhere between 401 and 800 words.

2. Degree of AI usage

AI-powered:

The writer uses AI for composing the text but manually fact-checks and humanises the text.

AI-assisted:

The writer uses AI for the basis of the text but manually fact-checks and humanises the text. Additionally, they pay extra attention to creativity, research (provided) sources and conduct a brief (about 15 minutes) telephone interview.

100% human:

The text is 100% written by a human copywriter who finds and researches sources themselves, conducts a longer (about 30 minutes) telephone interview, or writes based on their subject matter expertise.

For extra credits, you pay the price per credit belonging to your subscription or less if your purchase falls within a more favourable tier.

(If you temporarily need more credits than are included in your subscription).
